

Car Raffle Guide

Win a 2-Year, 24,000 Mile Lease!

The Basics

- Fundraising Goal: \$85,000
- Drawing: May 31, 2019 at the Ice Cream Social
- Each family is asked to sell 24 books of tickets, which is a \$480 value. Incentives are given throughout the raffle (see below)
- Tickets cost \$5 each or \$20 for a book of five tickets.
- For each ticket book sold above the 24-book family allotment, a family will earn \$10 as tuition credit for the 2019/20 school year.
- A family may make a tax-deductible donation in lieu of selling tickets. Please **return your unsold tickets** with a check payable to St. Francis of Assisi School.
- The Tuition Credit 50/50 incentive and Top Selling Family Prizes are reserved for those who have sold tickets. However, donations will qualify for the Family Dress Down Days !

Note From Mrs. Pritzel:

Thank you in advance to ALL St. Francis Parents!

Your participation in this year's annual fundraiser is VERY important as the 2019 proceeds will benefit all of our St. Francis students for years to come.

This year, fundraising will benefit enhancing the school's STEM curriculum. Students will learn and become confident in the "science and engineering practices" identified in the NGSS. They engage in the work of scientists as they ask questions, design experiments, solve problems, analyze data, and communicate information. Students make use of science equipment and science materials while doing labs, participating in simulations, and performing experiments. This costs more money than simply reading and recording facts from a textbook, but the end result is young Catholics who can influence our society for the good.

Our parish school is a privileged place of formation where we can raise up young men and women of faith to be speakers of the truth, problem-solvers, critical consumers, stewards of our planet, and people of reason. I am privileged to be part of a school that takes seriously our mandate to be salt and light, and I am grateful for the support of our parish and our parishioners.

Let's work together for 100% participation from our wonderful St. Francis community.

Selling Opportunities

Many local businesses graciously allow our families to sell tickets inside or outside of their stores. The opportunities range from local grocery stores to nearby parishes. There are also several opportunities to sell at St. Francis including after masses and at the Lenten Fish Dinners. This is a great way to sell tickets without the pressure of asking family or friends.

To allow all families a chance to participate, **please sign up for only two opportunities per month.**

Please visit the school website for further information. The school website will have the link to sign up to reserve spots at sales sites as well as the link to purchase raffle tickets online.

Top Selling Families

Top selling families will be determined by the number of tickets sold and turned in by 3:00 pm on Tuesday, May 28. Top-selling families are defined as those families who sell the most car raffle tickets **OVER** their 24-book allotment. Families will be able to choose a prize from a list of items generously donated to the raffle. These prizes are awarded for outstanding sales efforts and will be chosen during the Ice Cream Social on May 31, 2019!

The family who sells the most tickets will be the first to pick their prize. Then, the remaining families will choose a prize based on their total number of ticket sales.
