

**Saint Francis of Assisi Parish Educational Trust Fund**  
**Annual Report for the Fiscal Year Ended June 30, 2022**

The St. Francis of Assisi Educational Trust Fund (“ETF”) began in 1986 with the mission of providing long-term financial assistance to the Saint Francis of Assisi School. The ETF’s grant to the school for the 2021/2022 school year was **\$125,000** - the largest in the fund’s history! For more than 35 years, the ETF has contributed over \$1.7 million to the school, providing critical, reliable funding and helping to preserve the outstanding Catholic education provided by our school.

Thanks to the generosity of donors and the foresight of the ETF founders, the principal balance within the ETF stands at \$2.875 million as of June 30, 2022. However, our mission is not complete – Catholic schools everywhere are under increasing financial strain. Your contribution of any amount will add to the ETF’s annuity, benefiting the School for generations to come. Your support helps ensure that our ministry of Catholic education at Saint Francis of Assisi continues to thrive.

We would particularly like to recognize the members of our **Leadership Circle**. The Leadership Circle is comprised of families who have made a multi-year pledge to the ETF of at least \$1,000 per year for five consecutive years. Please see our current Leadership Circle supporters at <https://www.stfrancisa2.com/school/etf-leadership-circle/>. We are blessed by their long-term investment in the future of outstanding Catholic education at Saint Francis.

In addition, our **Legacy Society** invites and encourages planned to give through an individual’s estate, trust, life insurance or retirement plans. Last year, Robert Berarducci’s estate made a Legacy Society donation of over \$215,000! Bob was in the original graduating class of Saint Francis School and he spent his lifetime planning to make this end-of-life gift.
