

## How to Use the Confirmed in the Spirit and 6 Sponsor-Candidate Faith Conversations Texts

Ideally sitting down together, or by phone or other means of communication, both the sponsor (mentor) and candidate read the chapter of the text to be discussed. The Faith Conversations pages are geared for the sponsor, although there are pages for both candidate and sponsor to complete. The Confirmed in the Spirit are geared towards the candidate, although both sponsor and candidate work together on the book.

*Candidates:* Please complete, writing in your book, answers to the questions asked of you and have your sponsor (mentor) answer their appropriate questions in each chapter. **All work in the Confirmed in the Spirit text and the Faith: 6 Conversations book is to be completed by March 2018**
