Habitat for Humanity of Huron Valley engages our neighbors to build better neighborhoods through our volunteer, donation, partnership and ReStore efforts. We build homes, communities and hope...  
**under one roof.**

### What to Wear:

- Face mask/covering and gloves (volunteers are required to wear a face mask while on our sites)
- Comfortable clothes that can get dirty
- Dress for the weather and wear layers, if needed
- Work boots or sneakers (no open-toed shoes)
- Remove jewelry and pull back loose hair
- Hat and sunscreen, if needed

### What to Bring:

- Lunch and snacks (we do not provide food, but we will have drinking water on site)
- Port-a-jons will also be available
- Tools & equipment will be provided. You are welcome to bring your own, but are responsible for anything you bring.

### What to Expect:

It is difficult to predict exactly how renovations will proceed each week, so projects will vary. Tasks may include light demolition, framing, insulation, blue board, house wrap, siding, floor repair, wall repair/framing, caulking, trim, fixtures, windows and doors, painting and landscaping.

Due to COVID-19, all volunteers are required to wear a face mask while on site and adhere to Habitat's Health & Safety Guidelines. Crews may move to an alternate location due to affects of COVID-19 on trades and materials, as well as Habitat's safety procedures.

Whatever the projects may be, the Habitat house leader will ensure there are a variety of indoor and outdoor tasks, at various skill levels.

### Safety & Age Restrictions:

Our construction sites have the highest standard of safety and we will provide safety glasses, gloves and a hard hat. We also ask that you do not use an iPod/Blue Tooth.

Due to safety regulations, individuals under the age of 16 are not permitted on site.

### SIGN UP TO VOLUNTEER
