Heavenly Father,

As a member of St. Francis of Assisi  
Parish,  
I thank you for my faith-filled parish  
community.

In these challenging days of the  
pandemic  
the bonds of fellowship have  
somewhat loosened  
and yet I know how much I need  
others  
on the journey of faith  
and how much they encourage  
and support me through the twists  
and turns of life.

Father, draw us closer together  
reconnect us with one another  
remind us that we are stronger  
when united  
and that the journey of faith  
is truly blessed and nourished  
when we all gather faithfully each  
Sunday  
to celebrate at the Eucharistic  
table.

We pray this through Christ our  
Lord. Amen
